### Brain Injury Alliance of Washington-website: [biawa.org](http://biawa.org)

The Brain Injury Alliance of Washington is dedicated to increasing public awareness, support, and hope for those affected by brain injury.

## National Resources

### Brain Injury Association of America-website: [biausa.org](http://biausa.org)

BIAA's mission is to advance awareness, research, treatment, and education and to improve the quality of life for *all* people affected by brain injury. We are dedicated to increasing access to quality health care and raising awareness and understanding of brain injury. With a network of state affiliates, local chapters, and support groups, we are the voice of brain injury.

### BrainLine-website: [Brainline.org](http://Brainline.org)

BrainLine is a national multimedia project offering information and resources about preventing, treating, and living with TBI. BrainLine includes a series of webcasts, an electronic newsletter, and an extensive outreach campaign in partnership with national organizations concerned about traumatic brain injury. There is a Military and Veterans section of BrainLine.org

### Defense Centers of Excellence-TBI and Psychological Health-website: [DCoE.mil](http://DCoE.mil)

The mission of the Defense Centers of Excellence for Psychological Health and Traumatic Brain Injury (DCoE) is to improve the lives of our nation's service members, veterans and their families by advancing excellence in psychological health and traumatic brain injury prevention and care.

DCoE is comprised of three centers: Defense and Veterans Brain Injury Center, Deployment Health Clinical Center and National Center for Telehealth and Technology. Check out the **Centers** section of the website to learn more about each center.

### Defense and Veterans Brain Injury Center-website: [Dvbic.dcoe.mil](http://Dvbic.dcoe.mil)

DVBIC's mission is to serve active-duty military, their beneficiaries, and veterans with traumatic brain injury through state-of-the-science clinical care, innovative clinical research initiatives and educational programs, and support for force health protection services. DVBIC fulfills this mission through ongoing collaboration with the Department of Defense (DoD), military services, Department of Veterans Affairs (VA), civilian health partners, local communities, families and individuals with TBI.
